In the name of Allah, the Merciful, the Compassionate

Dear Ms. Rupinta;

I've included a visitor's application. I left a one-page letter for the police in the bedroom of my apartment at 303 Smith Level RL Apt. D-34 explaining my actions, but in brief;

I live with the holy Koran as my constitution for right and wrong and definition of justice. The Koran, also spelled, Qur'an, is a scientific and mathematic miracle so there can be no doubt that it is from a supernatural source, i.e. Allah, the creator and controller of all things. Those who follow the Koran, i.e. the truth, are members of one family, as the Koran states. Allah gives permission in the Koran for the followers of Allah to attack those who have waged war against them, with the expectation of eternal paradise in case of martyrdom and/or living one's life in obedience of all of Allah's commandments found throughout the Koran's 114 chapters.

I've read all 114 chapters approximately 15 times since June of 2003 when I started reading the Koran.

The U.S. government is responsible for the deaths of and the torture of countless followers of Allah, my brothers and sisters. My attack on Americans at NC-CH on March 3rd was in retaliation for similar attacks orchestrated by the U.S. government in my fellow followers of Allah in Iraq, Afghanistan, Palestine, Saudi Arabia, and ~~the~~ other Islamic territories. I did not act out of hatred for Americans, but out of love for Allah instead. I live only to serve Allah, by obeying all of Allah's commandments of which I am aware by reading and learning the contents of the Koran.

I would be glad to have an on-camera interview.

Sincerely yours,  
Mohammed Elmeraghi
